

Knitted Hat with Flower

Created by Corrie Sebire [www.retromummy.blogspot.com]

Sizes: Baby (toddler, preschooler)

What you'll need:

- 2x50g balls 8 ply wool
- 6.5mm hook for hat
- scraps of wool for your flower
- 4mm hook for flower

I am using US terminology so if you are using Australian/UK crochet terminology my double crochets you call a treble. / Corrie

Using 2 strands of wool (one from each ball), chain 5 (6,6) and with a slip stitch form a ring.

Round 1: Chain 3 and then make 15 (17, 19) double crochet into your ring. Join with a slip stitch to the top of your first chain 3 (so basically your 3rd chain).

Round 2: Chain 3 (this gives you the height of the round) then starting with your next stitch do 2 double crochets (if you're using Aussie/UK terminology you call these trebles) into every stitch

The Flower

Using the 4mm hook and one strand of wool, chain 5 and with a slip stitch form a ring.

Round 1: Chain 3 and then do 20 double crochet (you might call these a treble) into the ring. Slip stitch to join to the top of the first chain 3.

Round 2: Chain 1 then single crochet in each double crochet of the previous round.

the whole way around. Join with a slip stitch to the top of your first chain 3.

Rounds 3-6 : Chain 3 and do 1 double crochet in each stitch the whole way around. Join with slip stitch to the top of your first chain 3. For the preschooler hat or if it's looking too short on your model/recipient/nearest child in sight then add another round or two of exactly the same so you end up with 7 or 8 rounds. Cut wool and weave in ends.

Round 3: Single crochet, *skip one stitch of previous round then 7 double crochet in the next stitch, skip one stitch then do a single crochet. Repeat from * until you reach your first single crochet and slip stitch to finish. Leave 50cm of wool, cut and pull through the loop on your hook. Attach your flower using a darning needle and the wool strand you left on the flower.

This pattern has been created for personal/charity use only and is not to be made for resale. Thank you.
