31st May 2018

Dear Parents/Caregivers

RE: Fundraising for Magill Scout Group

The Magill Parent Committee has registered with the People's Choice Credit Union Lottery and hope to raise \$500 for the Group.

We have a great scout hall but it's getting old and needs some maintenance. We often host other Scout groups for overnight activities, eg before the ANZAC Day Service. We could really use the money to add insulation, renew the kitchen or better secure the hall and our equipment.

There are 100 great prizes to win in the lottery, valued at over \$360,000 including;

1st Prize - a Toyota RAV4 car (valued at \$40,000)

2nd Prize - an LG Signature Pack (valued at \$30,000)

Tickets cost just \$2 each.

The Committee is asking families to help, and you can assist by purchasing tickets online for yourself, or by asking your extended family and friends to support your kids in Scouting. Simply go to:

<https://www.peopleschoicecu.com.au/community-lottery-home/buy-tickets/>

and select "First Magill Scout Group" from the pull-down list of participating organisations.

All proceeds from ticket sales go to the community group selected.

The Parent Committee thank you for your support. Please let me know if you have any queries.

Yours in Scouting

Colleen Bennett
